Dear Potential Election Official:

Thank you for your interest in becoming an Election Official for Pulaski County. On the website, you will find an Election Official Application that includes our state requirements. If you meet these requirements, please complete the information sheet and return it to our office by fax or mail.

Also, on the website you will find a W-4 form, please complete this form and include it with a copy of your social security card. This is required by the county's payroll department for all workers. These two documents must be received before any payment can be made to you for working Election Day.

Once you are selected, you will receive a Notice of Appointment and training information for the election. Election Officials are expected to attend training. If you are not selected for this election, you will be active in our Election Official database, and you may be selected for future elections.

Election Officials are vital to the election process, and we would like to thank you again for your interest. The Election Commission and the staff look forward to working with you. Please do not hesitate to call us with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Melinda Allen".
