**BALLOT ISSUE**

**Millage Question**  
**TAX OF 40.7 MILLS**

The proposed tax levy has been adjusted from the rate approved at the annual school election in 1997 due to the effects and results of a countywide reappraisal of all taxable property in Pulaski County, Arkansas, conducted pursuant to the provision of Amendment No. 59 to the Arkansas Constitution. To provide for the foregoing proposed budget of expenditures, the Board of Directors proposes a total tax levy of 40.7 mills. This represents no change from the previous year. The proposed tax levy includes the Uniform Rate of 25.0 mills (the "Statewide Uniform Rate") to be collected on all taxable property in the State and remitted to the State Treasurer pursuant to Amendment No. 74 to the Arkansas Constitution to be used solely for maintenance and operation of schools in the State. As provided in Amendment No. 74, the Statewide Uniform Rate replaces a portion of the existing rate of tax levied by this School District and available for maintenance and operation of schools in this District. The existing rate of tax levied by this School District is composed of 25.0 mills specifically voted for general maintenance and operation, .9 mills for current expenditures/dedicated maintenance and operation millage, and 14.8 mills for debt service previously voted as a continuing debt service tax pledged for the retirement of existing bonded indebtedness. Surplus revenues produced each year by debt service millage may be used by the district for other purposes.
