OTHER BUSINESS

The City of Alexander has decided to have a special election with the Primary Election. It is for a detachment from the city in which all residents of the city will vote on. However, the mayor filed the proclamation in the circuit clerk's office instead of the county clerk's office. There will be a separate section on the ballot for this election. It will also appear on the nonpartisan ballot for those voters who do not wish to vote on a party ballot. The filing does not appear to have been voted on by the city council. Chairman Walker asked that the paperwork filed for this election be forwarded to county attorney Karla Burnett for review. The Commission will act upon it after review. Mrs. Allen stated that the mayor of Alexander is in the process of refilling the paperwork. Deadline to submit to our office after filing is Monday, March 15.

Emily Kearns, office intern, was introduced to the commission board. She works part-time, two days a week.

Motion to adjourn by Commissioner Wyrick; seconded by Chairman Walker. Meeting adjourned.
