**Annual School Election, September 16, 2014**

*Approve Amended Polling Location Order*

Precinct 44 - Indianhead Lake Baptist Church was removed from the Notice of Election due to no eligible voters in this precinct for the school election. Election officials at this precinct have been contacted that they will not be needed.

Motion to approve amended polling location order was made by Chairman Boyle. It was moved by Commissioner Burks and seconded by Commissioner Gorman. All in favor; motion passed by voice vote.

### *Approve Amended Notices of Election*

Jacksonville/Pulaski County Special School District Notice Change - Millage

By request of the petitioners, the two ballot issues on the Notice of Election were simply switched whereas the issue of the district separation will be listed first and the millage issue will be listed second.

Motion to approve the amended Notice of Election was made by Chairman Boyle. It was moved by Commissioner Gorman and seconded by Commissioner Burks. All in favor; motion passed by voice vote.

Larry Clark, Lonoke County Clerk, has agreed to have voters cast their ballots at Precinct 46/47 - Berea Baptist Church, for the Annual School Election on September 16, 2014. Lonoke County will provide the poll books. Absentee ballots have been provided to Lonoke County in the event voters call and request them and they can be mailed out to those voters. Lonoke County will deliver absentee ballots to Pulaski County in the event there are any ballots cast. In the future, if there is a contested race in that area of the county, Lonoke County will open a polling location in that area.

### *Discussion of State Board of Election Commission Rule Changes*

A procedure was established for voters who registered by mail and vote absentee for the first time but did not provide proof of ID. This is rare because most first-time voters will vote early. And most voter registration applications by mail do provide photo ID. Initially, the vote will be rejected and a notice will be sent to the voter. But if it is established that the voter cast the ballot in the correct precinct, the vote should be counted.
