ELECTION INFORMATION

Voting Equipment Information

- ❑ On Election Day, Pulaski County is a paper ballot county, using the M100 Scanner to tabulate the ballots, with one iVotronic Touch Screen at each polling location for use by voters with disabilities. During Early Voting, Pulaski County conducts voting using iVotronic Touch Screens.
 - *Model 100 (M100) Scanner – Used on Election Day, it is a voter-activated paper ballot counter and vote tabulator. The M100 alerts voters to over-voted races and blank ballots.*
 - *iVotronic Touch Screen – Used for Early Voting, and*
 - *on Election Day for voters with disabilities. Voters securely cast their vote for each office and/or ballot issue simply through the touch of the screen. Its Audio Ballot feature assists those voters who are visually impaired. The iVotronic prevents the voter from over-voting and alerts the voter of under-voted races.*

Types of Elections

- ❑ **Preferential Primary/Nonpartisan General Election:** Held in even numbered years. The voter must choose the Party Primary (Democratic or Republican) they wish to vote in. If they do not wish to participate in the party primary elections, the voter may vote in the Nonpartisan General Election (these races are included on the party primary ballots)
 - ❑ **General Primary Election (Runoff):** Held four weeks after the Preferential Primary, if none of the candidates for a particular office receives a majority of votes cast in the Preferential Primary. A voter must vote in the same Party Primary (Democratic or Republican) that they selected in the original election. If the voter did not vote in the Preferential Primary, or only voted in the Nonpartisan General Election, they may select which primary runoff they would like to vote in.
 - ❑ **General Election/Nonpartisan General Election Runoff:** Held in even-numbered years. The voter does not select a Party Primary. The Runoff Election for the Nonpartisan Election is conducted with the November General Election.
 - ❑ **General Runoff Elections:** Held four weeks after the General Election if none of the candidates for a particular office receives a majority of the votes cast in the General Election.
 - ❑ **School Elections:** Held annually in each school district of the state on the date of the Preferential Primary, or on the date of the General Election, to elect School Board Directors and vote on an annual proposed rate of tax for the maintenance and operation of schools and the retirement of indebtedness.
 - ❑ **School Runoff Elections:** Held four weeks after the Annual School Election, if none of the candidates for a particular for School Board Director position receives a majority of the votes cast in the Annual School Election.
 - ❑ **Special Elections:** Elections specially scheduled by proclamation, ordinance, statute, resolution, order, or other authorized document of the appropriate constituted authority to fill vacancies and to approve measures or questions that are held:
 - *Second Tuesday of any Month*
 - *Third Tuesday of the Month if the Second Tuesday is a Legal Holiday*
 - *Fourth Tuesday of the Month if called in June of an Even-Numbered Year*
 - *Same Day of the Month as a Preferential Primary Election or General Election*
-

VOTING ISSUES

Problem Resolution Form

 - ☐ Voter failed to verify voter registration (Provide Photo ID)
 - ☐ Voter's name is not in the Poll Book
 - ☐ Voter's address has changed
 - ☐ Poll Book indicates the voter has voted Absentee or Early
 - ☐ Poll Book indicates the voter "Must Show ID" and the voter cannot provide current ID

Blank Poll Book Page

The voter registration office provides the blank poll book pages in the back of the poll book and a separate set in the Voter Registration plastic envelope

- Some of the Reasons to use a Blank Poll Book Page (*Form #31*)
 - ☐ The voter's name is not in the book, but the voter registration office has confirmed that the voter will vote in the same precinct
 - ☐ A voter may come to your polling location with the yellow copy of the Problem Resolution Form and their name may not be in the poll book
 - ☐ Anytime a voter is confirmed through the voter registration office and their name is not in the poll book
- The only time you need to use the Blank Poll Book Page, is if the name is not listed in the poll books provided to you

Spoiled Ballots

- Reasons to spoil a ballot
 - ☐ When a voter makes a mistake on their paper ballot
 - ☐ When a voter marks a ballot before they realize it is the incorrect ballot
 - ✓ The voter can return the marked ballot, as long as they have not cast their vote
 - ✓ Follow the instructions located on your Spoiled Ballot Affidavit (*Form #14*)
 - ✓ Issue the voter another ballot

*****A voter can only be issued a maximum of three ballots*****

Abandoned Ballot Log

- Two types of abandoned ballots:
 - ☐ A Poll Worker finds a ballot either left in the M100 Scanner, or a vote not cast on the iVotronic,
 - ☐ A Poll Worker finds a ballot anywhere besides the voting machine
 - ☐ Follow the instructions on your Abandoned Ballot Log (*Form #16*)
-

Voter Assistance

- A voter shall inform the poll workers at the time that the voter presents themselves to vote that they are unable to mark or cast the ballot without help and needs assistance in casting their ballot

 - No Person Shall Assist More than Six Voters in Marking and Casting a Ballot at an Election, Except a Poll Worker at a poll or the County Clerk or Deputy Clerk During Early Voting
-

Provisional Voting

- Provisional voting allows the Voter Registration Office to verify the voter's eligibility and confirm the results to the Election Commission
 - The most common reasons to have a voter vote provisional are:
 - ☐ The Voter fails to verify his/her registration (Present Photo ID)
 - ☐ Voter Registration cannot be confirmed when the voter's name is missing on the poll book, but the voter knows they should be registered
 - ☐ Poll book indicates the voter voted absentee or early and the voter knows that they have not voted
 - ☐ Poll Watcher challenge - must be challenged before the voter signs the poll book
 - ☐ Provisional voters **DO NOT** sign the List of Voters, the poll book or the Blank Poll Book Page (*Form #31*)
 - Follow the Instructions on the Provisional Ballot Envelope (*Form #11*)
 - Immediately after the election, the Voter Registration office and Election Commission work diligently to process the provisional votes
 - Once complete, the Election Commission conducts a preliminary review of all provisional votes, and notifies the provisional voters of the results and the date time of the public hearing to contest the decision
-

Poll Watcher

- A Poll Watcher must have a file-marked copy of the Poll Watcher Authorization (*Form #22*)
- Poll Watcher List (*Form #21*) instructions are on the front of the form, and on the back of the form, you will find the Poll Watcher's Rights and Responsibilities

- Poll Watcher challenge - must be challenged before the voter signs the poll book

Voter Complaint Form

- If the voter would like to file a complaint concerning the voting equipment, give them the Voter Complaint Form (*Form #18*) and the Election Commission will review it after the election

- At least one Poll Worker assigned to your location has received specialized training for troubleshooting problems with the voting equipment
- Your Area Manager has also received training on the equipment

- If the M100 Scanner device is completely down, **OPEN THE EMERGENCY BIN** and allow voting to continue until a technician arrives
- When the emergency bin is used, be sure to warn voters regarding the results of over and under voting
- Document the occurrence in the **Comments or Exceptions Reporting Section** on the Election Protocol Form (*Form #9*)

Write-in Candidates/Ballots

- If there is an authorized write-in candidate in the election, you will receive the name(s) of the authorized candidate(s) with special instructions and special forms to record the votes cast for write-in candidates
- If an authorized write-in candidate has filed for an office, a blank line will be printed on the ballot with space for a name to be written in. If no candidate has filed to be a write-in, there will not be a blank line on the ballot to write-in a name
- All ballots that have a vote cast for a write-in candidate will fall into Compartment B of the M100 Scanner, separate from the other voted ballots
- All ballots besides the write-in ballots will fall into Compartment A area. There is a diverter separating these two areas - ***DO NOT MIX THESE BALLOTS TOGETHER!***

➤ Party Primary Ballots include the Nonpartisan General Election on them

2. Write "D", "R", or "N" legibly under the ballot column by the voter's signature

4. Complete the Ballot Authorization Slip, by writing the appropriate ballot # from the poll book under the style column (example "D-140", "N-120", or "R-124")

☒ GENERAL PRIMARY ELECTIONS (RUNOFF) ONLY

- The Nonpartisan Runoff will be held in November in conjunction with the General Election

8. Write the voter's ballot style number indicated on the poll book on the Voter Authorization Slip

GLOSSARY OF ELECTION TERMS

Absentee Vote: A ballot cast other than at a voter's polling site on election day or during early voting; also commonly referring to a ballot cast by mail after first qualifying as a voter in the election and then applying for an absentee ballot with the local county clerk.

Constitutional Officers: The offices of the Governor, Lieutenant Governor, Secretary of State, Attorney General, Auditor of State, Treasurer of State, and Commissioner of State Lands as set forth in the Arkansas Constitution.

County Clerk (*Voter Registration Office*): Under the Arkansas Constitution the county clerk is the permanent registrar of voters for each county in the state. The County Clerk (permanent registrar) registers qualified applicants when a legible and complete voter registration application is received and acknowledged by the permanent registrar. The permanent registrar notifies applicants whether their applications are accepted, rejected, or incomplete. If any required information is missing from the voter registration application, the permanent registrar contacts (if possible) the applicant to obtain the missing information.

Early Vote: To vote a ballot up to 15 days prior to an election in person at a predetermined site (usually the County Clerk's Office) or sites set up within the county.

Election Official or Election Officer: A person who is a member of the county board of election commissioners or a person who is a Election Official designated by a county board of election commissioners to be an election clerk, election judge, or election sheriff.

Fail-Safe Voting: The mechanism established under the National Voter Registration Act of 1993 that allows a voter who has moved within the same county to vote at his or her new precinct without having updated his or her voter registration records.

HAVA: The Help America Vote Act of 2002 is federal legislation mandating all polling places throughout the country to have at least one unit that is accessible to voters with visual disabilities. This legislation also mandates that each state have a centralized voter registration system. Federal dollars were distributed to states to help pay for the improvements.

List of Voters: Poll workers record the name of every person who voted a non-provisional ballot at the poll on the List of Voters (*Form #7*).

Majority Party: The political party in the State of Arkansas whose candidates were elected to a majority of the constitutional offices of this state in the last preceding general election.

Minority Party: The political party whose candidates were elected to less than a majority of the constitutional offices of this state in the last preceding general election.

Motor Voter: A nickname used for the National Voter Registration Act (NVRA) that introduced the “application” process into voter registration and allows citizens to apply to register to vote at Offices of Driver Services, libraries, state agencies, and many other locations across the state.

Poll Book (Precinct Voter Registration List): This is the computerized list of eligible voters within a specific precinct. Voters will sign this book after identification is complete before being given a ballot. In Primary elections, the election official records the party choice of a voter (D or R) on this list.

Polling Site: A location selected by the county board of election commissioners where votes are cast.

Precinct: The geographical boundary lines dividing a county, municipality, township, or school district for voting purposes.

Problem Resolution Form: Poll workers should complete a Problem Resolution Form to direct a voter to the proper poll when a voter is at the wrong poll according to the county clerk’s office. Completion of the form will expedite matters for both the voter and poll workers at the voter’s correct poll.

Provisional Ballot: A ballot cast and/or considered by special procedures to record a vote when there is some question concerning a voter’s eligibility or compliance with certain statutory requirements. Provisional ballots are counted upon verification of a voter’s eligibility or compliance with those statutory requirements.

Provisional Voter List: Poll workers record the names and addresses of all persons voting a provisional ballot on the List of Provisional Voters

Qualified Elector: A person who holds the qualifications of an elector and who is registered pursuant to Arkansas Constitution, Amendment 51.

Special Election: An election held at a time other than a regularly scheduled election; or is needed to fill vacancies or to approve any measure.

Verification of Voter Registration (VVR): A document or photo ID that is issued by the State or Federal Government, or an accredited post-secondary educational institution in Arkansas.
